Qamran Shah

Shabiyat Khalifa Umm Al Shubrum Doha-Qatar

+974 31031349 | Qamranshahdev@gmail.com

Objective

As a student studying software engineering, I am seeking an internship program to gain hands-on experience in the field. I have a strong foundation in programming languages such as Java, Python, and C++, C#, PHP, HTML, JavaScript, and have completed coursework in areas such as software design and development, data structures and algorithms, and database management. I am eager to apply my knowledge and skills in a real-world setting and to work alongside experienced professionals to learn more about the industry.
